We are proud to announce that Greenville, North Carolina is Sportstown USA!

Sports Illustrated recently celebrated its 50th year in business. As part of this year long celebration, Sports Illustrated picked one recreation and parks department from each state whom they felt had done an outstanding job in the development of sports and sports activities and facilities in their respective local community. They designated each of these cities as "Sportstown USA" and announced the award winner for each state each week for 50 straight weeks. Each winner was recognized in Sports Illustrated. According to Sports Illustrated, there were 250 cities from across the nation considered for this award with 50 (one from each state) being honored.
